The Schuetzen Club is in Favor of One of the Other Candidates.

The Schuetzen Club met last evening, and elected several new members. Considerable business of minor importance was transacted. A resolution was passed, recommending the Councils to elect either Mr. Wilhelm or Mr. Robinson to the vacant seat in the Councils. This action was taken on the ground that Mr. Smith, if elected to the Council, will go under a secret pledge from a secret society. As this action represents a large number of men, the majority of whom were active participants in the revolution of 1893, it will undoubtedly carry weight with it.
